Dear Parent or Guardian,

On Monday, June 10th, the fifth grade String students enrolled in the Somerset Elementary String program are tentatively scheduled to participate in a performance tour to the Somerset Housing Authority in Somerset. The concert is tentatively scheduled for 1:00 pm.

Eligible students are those who:

- Attend String classes with their instrument and music on a regular basis.
- Practice regularly and show their signed practice chart to their String Instructor on a regular basis.
- Can perform their music with proper technique. Songs are listed below. Students will be tested on these songs in mid/late May and early June.
**** Students must have their own instrument and music on the testing days in order to test. ****
- Are in good standing with their classroom teacher both academic and discipline.

Upon satisfaction of the requirements, students will receive a permission slip to be returned by 9:00 AM Friday, June 7th.

Tentative schedule: Students will be transported by bus to the Middle School for rehearsal, followed by lunch at Wendy's (Swansea), and then to the performance.
